AUTHORITY: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Foreign Labor Certification Quarterly Activity Report information collection. The Foreign Labor Certification Quarterly Activity Report, Form ETA-9127, is used to collect information from a State Workforce Agency (SWA) on activities performed under a Foreign (Alien) Labor Certification reimbursable grant and provides a sound basis for program management, including budget, workload management, and monitoring for compliance with the grant. This information collection has been classified as a revision, because the burden hours and the number of responses and respondents

have changed to reflect the recent corresponding burden transfer for prevailing practice surveys and ad hoc surveys to OMB Control Number 1205-0017. In addition, minor changes are proposed for Form ETA-9127 and its instructions. These latter changes would not affect public burden. The Wagner-Peyser Act and Immigration and Nationality Act section 218(c)(3)(A) authorize this information collection. See 29 U.S.C. 49(i) and 8 U.S.C. 1188(c)(3)(A).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0457. The current approval is scheduled to expire on September 30, 2015; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on March 5, 2015 (80 FR 12039).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the **Federal Register**. In order to

help ensure appropriate consideration, comments should mention OMB Control Number 1205-0457. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
